*Proceedings of the Madras Government, Judicial Department,
9th April 1866.*

No. 75. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Kotagerry, 24th March 1866, No. 503.

In forwarding copy of letter, No. 733, from Captain Storey, Acting Superintendent of Police, Salem, I have the honor to request the sanction of Government to write off the sum of Rupees 10-7-0, being the amount due by a Mr. Jeremiah, for Police Constables supplied to him, under Section 13 of Act XXIV of 1859.

2. The Superintendent used every exertion to recover the money, but failed, the man having gone to Ceylon.

From the Acting Superintendent of Police, Salem, to the Inspector General of Police, Madras; dated Salem, 29th November 1865, No. 733.

I have the honor to bring the following circumstances to your notice.

2. In the month of June 1864, one Mr. Jeremiah, late a Vakeel in the Zillah Court at Salem, applied for a constable, as a private guard, on payment. This was complied with by me, and a Constable was employed on this duty up to 14th October 1864, on which date he requested me to withdraw the guard.

3. Mr. Jeremiah paid the cost of the guard up to August, but failed to adjust the enclosed two bills, amounting to Rupees 10-7-0 for September and October 1864, notwithstanding the demands made by me till November, when he was dismissed from the Service, and suddenly left Salem.

4. On hearing that he had gone to Palghat, I wrote to the Assistant Superintendent of Police, South Malabar, requesting him to recover the sum from him, but received a reply from that Officer to the effect that he had left the place before my letter reached him.

5. I also wrote to the Magistrate of Salem, on the 31st January 1865, requesting him to issue a warrant for the recovery of the sum by distress of moveable property, under Section 15 of the Police Act, but received a reply, dated 27th May 1865, declining to issue a warrant, as Act V of 1861 distinctly limits the execution of a distress warrant to the District of the Magistrate who issues it, and that there was no property left by him at Salem.

6. Ultimately I wrote to the Resident of Travancore, on the 2nd October 1865, hearing that he was practising as a Vakeel in the Courts of His Highness the Rajah of Travancore, but received a reply from that Officer, to the effect that he had left the place, some weeks before, for Ceylon.

7. The amount has been paid out of my cash chest from the permanent advance for adjusting the accounts, and has been since shown as outstanding in the Account Current, which is objected to by the Head Office.

8. I do not know how to recover the amount, but suggest, should you deem it right, to enter the sum in the Contingent bill of any one month and get it adjusted for the present. The defaulter will be proceeded against whenever he is found.

9. To prevent any future inconvenience of the kind, I issued a notice, requiring persons applying for private guards to deposit one month's pay in advance.

No. 76. ORDER THEREON, 9th April 1866, No. 520.
