Proceedings of the Madras Government, Judicial Department,
13th January 1866.

No. 86. Read the following letter from the Civil Judge of Calicut, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 18th December 1865, No. 478.

In regard to Proceedings of Government, Judicial Department, dated 13th November 1865, No. 1622, anent the grant of a site for the erection of a room for the Vakeels in the District Moonsiff's Court at Nedunganad, I have the honor to report that the whole ground of the Court House measures east to west 210 feet, north to south 210 feet, but excluding the ground taken up for the Court House, the compound on the east is 60 feet, west 84 feet, north 96 feet, and south 66 feet.

2. There is already a building for the Vakeels to the north of the Court House, measuring east to west 36, and north to south 17 feet. The ground now applied for, inclusive of the above space, is east to west 60, and north to south 36 feet, or 24 and 19 feet respectively, in addition.

3. The additional space required covers but a small area, and I think it may be granted without inconvenience. The Moonsiff reports that he has communicated the order of Government to the Vakeels, as to the condition upon which the grant is sanctioned.

4. I beg to submit a plan of the compound and of the public buildings standing thereon.

No. 87. ORDER THEREON, 13th January 1866, No. 53.

The Governor in Council sanctions the grant of the site indicated, on the conditions laid down in the Order of the 13th November, which have, it is observed, been made known to the Vakeels concerned.
