Proceedings of the Madras Government, Judicial Department,
20th April 1866.

No. 159. Read the following letter from the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 19th April 1866, No. 92.

I have the honor to request sanction for immediately printing the Books entered in the accompanying estimate ; such paper as may be required being supplied at once by the Superintendent of Stationery, and deducted from the Indent which will become due on the 1st proximo.

2. It will be observed that, in the rules framed under Section 56, I propose making use of the existing registers up to the end of the year. No fresh supply of any of them will, therefore, be required at present. The record of reasons for refusal to register, being an entirely new book, must necessarily be printed. No second edition of Indexes has been as yet published, and as the old one is almost exhausted, it would have been, under any circumstances, necessary to print a fresh supply. This I propose now doing in the new form.

Telugu	1,200
Tamil	1,200

3. I have also the honor to request permission to print the number of copies noted in the margin of the Indian Registration Act, Table of Fees and Rules, for sale to the public, at cost price.
