Proceedings of the Madras Government, Judicial Department,
23rd April 1866.

Read the following papers:—

No. 182. From the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 26th January 1866, No. 13.

A sum of Rupees 15 was, at the request of the Superintendent of Police, South Malabar, and in anticipation of obtaining sanction, advanced to the Dresser in charge of the Police Hospital at Malliapooram, to meet the expenses of treating wounded persons sent there by the Sub-Magistrates in Criminal cases, or accidents coming under official cognizance.

Letter dated 15th January 1866, No. 22.

2. The Superintendent of Police states that the Dresser cannot undertake such cases without funds, and it is absolutely necessary that he be furnished with them. I have, therefore, the honor to request you will obtain the sanction of Government to this measure as a special case.

Referred to the Principal Inspector General, Medical Department.

FORT SAINT GEORGE,
5th February 1866.

(Signed) C. G. WALKER,
Under Secretary.

No. 183. From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 23rd March 1866, No. 112.

I have the honor to return letter, No. 13, of the 26th January last, from the Collector of Malabar, to your address, on the subject of an advance of Rupees 15 made by him to the Dresser in charge of the Police Hospital at Malliapooram.

2. I regret the delay which has occurred in replying to the Collector's letter, but the requisite information has only now been received.

3. It appears that the advance was made to meet the expense incurred in the treatment of some wounded men, who had been brought to the Police Hospital.

4. The amount expended by the Police Dresser, on account of these wounded men, during the months of October, November, December, and January, is Rupees 14-7-0 beyond the Rupees 15 advanced by the Collector, and this sum is still due to him.

5. This balance should be adjusted as soon as possible, as the Dresser had to borrow the money.

6. It is desirable that arrangement should, if possible, be made between the Magisterial and Police authorities, to provide funds to meet the necessary expense incurred in like cases.

No. 184. ORDER THEREON, 23rd April 1866, No. 601.

No separate sanction seems necessary for the charges referred to. They should be included in the Magisterial contingent bills.
