No. 197. Read the following Proceedings of Government in the Public Works Department, dated 18th April 1866, No. 1196.

Sanctioning an Estimate of Rupees 3970 for converting the Market house at Wellington into a Cantonment Magistrate's Office and Police Inspector's quarters. } (Vide Proceedings, Public Works Department, dated 18th April 1866, Nos. 350—352.)

No. 198. ORDER THEREON, 24th April 1866, No. 613.

Read the following papers:—

No. 350. From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Coonoor, 23rd March 1866, No. 308.

1. In G. O. No. 2,293 of 10th August 1864, sanction of Rupees 3,390 was accorded for the construction of a Court House for the Cantonment Magistrate of Wellington, but funds have not yet been provided for the building. Meanwhile, the temporary Barrack which had for years been patched up as a substitute for a Court, became unsafe and had to be pulled down, and the Executive Engineer's Office has been given up for the purpose, until permanent arrangements can be made.

Enclosures 2.

2. But both Military and Civil authorities strongly object to the long continuance of this arrangement, the Engineer's Office being between the Barracks and married quarters, and a considerable distance from the bazaar and Police of Wellington, still more from Coonoor, to which the Magistrate's jurisdiction extends. It is now therefore proposed by the District Magistrate, that a market shed existing at Wellington, between the Police Lines and Station-house, in an open area, which has never been resorted to for the purpose for which it was built, and for which the new road between Coonoor and Wellington will effectually supersede any occasion, be appropriated for the two-fold purpose of accommodating the Cantonment Magistrate, and the Inspector of Police. A saving of Rupees 25 monthly in house-rent allowed to the Inspector (but for which he cannot get what he requires) will be effected, and the total cost to be incurred will not be quite Rupees 600 more than the original grant. It is therefore desirable that the same should be cancelled, and the present estimate* sanctioned. Also that permission be given to commence the work as soon as possible, in anticipation of funds being available after the 1st May from the Reserve of 1866-67.

* No. 90 of 1865-66, Rupees 3,970.

Referred to the Judicial Department.
