Proceedings of the Madras Government, Public Works Department,
18th April 1866.

No. 381. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 11th April 1866, No. 2,168:—

1. With reference to G. O. No. 1,048, dated 5th April, I have the honor to enclose two plans and an estimate* for such alterations as are necessary to adapt the house recently purchased at Trichinopoly for a Court-house for the Civil Judge and the Cantonment Magistrate.

* Rupees 1,620

2. The Civil Judge informs me that his Court will be adjourned on the 17th instant, and will re-open on the 18th June, and requests that the alterations may be carried out during the adjournment, so that the Court may re-open in the new building, and that the records, &c., may be removed during the adjournment.

3. In letter No. 1,922, dated 2nd March, I reported that there would be a large balance of Local Funds unexpended in 1865-66, and I would suggest that the estimate enclosed should be sanctioned at once, and that the work should be put in hand, any expenditure incurred being defrayed from the balance of Local Funds until an allotment is made for the work early in May from the Reserve Fund of 1866-67.

4. The building has been paid for, and the Transfer Deed has been signed by me on behalf of the Secretary of State for India, but it has not been registered. I find I must present it in person at the Registry Office at Trichinopoly, this I shall do in a week or ten days. I beg that I may be informed whether the Title Deeds when registered are to be deposited in the Collector's Cutcherry, or be sent to Madras to be deposited among the Public records in the Government Office.

No. 382. ORDER THEREON, 18th April 1866, No. 1,211.

CIVIL WORKS, No. 56.

1. The estimate submitted with this letter, amounting to Rupees 1,620, is sanctioned.

2. A grant of Rupees 653, which is the sum remaining to the credit of the Reserve under "Civil Buildings," will be placed at the disposal of the Superintending Engineer of the 6th Division for appropriation to the work. The balance of the estimate, viz., Rupees 967, will be allotted on the 1st proximo.

3. The Title Deeds which are referred to in paragraph 4 should be deposited, after registry, in the Collector's Cutcherry.
