No. 218. Read the following letter from the Civil and Session Judge of Ootacamund, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 21st April 1866, No. 116.

I have the honor to request you will be good enough to obtain the sanction of Government for Rupees 50, being the value of a Clock purchased by me for the use of this Court, and which the High Court have declined to sanction, simply because, as will be seen by their Proceedings of 21st October 1865, "no Court in the Mofussil has ever been furnished with a Time-piece at the public expense."

2. As the greater part of the business of the four Courts under me, viz., Civil, Sub, District Moonsiff, and Small Cause, is carried between *Europeans*, to whom time is money, I respectfully submit there should be made a distinction between this and the other Mofussil Courts, in regard to this matter.

3. I trust, therefore, I may obtain the necessary sanction.
