No. 104. ORDER THEREON, 15th January 1866, No. 62.

To the Magistrate of Vizagapatam.

Read the following letter from the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 5th December 1865, No. 1,977 :—

1. I have the honor to submit herewith a revised estimate, amounting to Rupees 3,434, for the Sub-Magistrate's Cutcherry and Police Station now in course of construction at Ankapilly, in the Vizagapatam District.

Enclosure 1.

2. The original estimate, which amounted to Rupees 2,740, was framed in this Office, and by some oversight the Range Officer was not consulted as to its sufficiency. He has since shown by data based on the rates of labor and materials now prevailing, and taking into account some special difficulties of that particular site, that the work cannot be completed for the sums originally provided.

Vide G. O. No. 1,582 of 31st May 1864.

3. The expenditure on the work in question, up to 30th November 1865, was Rupees 2,317-3-0, and it may be completed within the next two or three months.

4. The balance now requiring sanction is Rupees 694, and it may be met from the allotment of Rupees 1,840, made in G. O. No. 2,946 of 5th October 1865, for the Military Prison of Vizagapatam.

No. 36. ORDER THEREON, 4th January 1866, No. 16.

CIVIL WORKS, No. 8.

1. An estimate of Rupees 2,740 was sanctioned in Proceedings of the 31st May 1864, No. 1,582, for the construction of a Sub-Magistrate's Cutcherry, Táluq Jail, and Police Station house at Ankapilly in the Vizagapatam District. The Officer in charge of the Superintending Engineer's Office now submits a revised estimate of Rupees 3,434 for this building, and explains that when the original estimate was prepared, the Range Officer was by an oversight not asked to verify its correctness. It now appears that the first estimate was framed on insufficient data, and that the work cannot be completed for the amount of that estimate. This explanation is unsatisfactory, and greater care should be taken in the Superintending Engineer's Office to ensure the preparation of perfectly reliable estimates.

2. The revised estimate of Rupees 3,434 is sanctioned. The amount from which Captain Beatty proposes to meet the additional cost of the Ankapilly Cutcherry has been re-credited* to the Reserve under "Military," and is not therefore available for appropriation to the work in question. Captain Beatty will report in what other manner he would propose to meet the charge.

* 9th December 1865, No. 3,738.
