No. 255. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 19th April 1866, No. 93.

I have the honor to report that owing to the great amount of registration which has taken place in the Districts of Tanjore and Tranquebar, the Establishments sanctioned for the District Registrars have been found unable to keep pace with the work to be done.

2. The accompanying Return shows the total number of registrations in each District throughout the year, and it will be seen that in the later months especially, the number of registrations in Books Nos. 1, 2, and 3, was sufficient to afford work for four or five Clerks instead of one or two.

3. Under the Indian Registration Act this difficulty will not arise in future; but, as it is desirable that the existing arrears should be brought up as soon as possible, I have the honor to recommend that each of these Officers be allowed an extra Clerk on a salary of Rupees 12 for six months.
