*Proceedings of the Madras Government, Judicial Department,
2nd May 1866.*

Read the following papers:—

No. 5. Abstract petition from A. VENCATA ROW, Inspector of Police, Cud-dapah; dated 24th September 1865.

States that he passed the Police test last year; that being desirous of passing the Tahsildar's test next year, he applied to the Commissioner, Uncovenanted Civil Service Examinations, and requested that he may be exempted from such subjects as are common to the Police test and Tahsildar's test; but that the Commissioner has expressed his opinion that he (petitioner) must again pass in those subjects he has already passed in. Prays that he may be exempted, for reasons adduced.

No. 2151.

Referred to the Commissioner for the Uncovenanted Civil Service Examinations, for report.

FORT SAINT GEORGE,
30th September 1865.

(Signed) C. G. WALKER,
Under Secretary to Government.

No. 6. From the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Chief Secretary to Government, Fort Saint George; dated 28th March 1866, No. 120.

With reference to G. O., 14th March 1866, No. 387, I am directed by the Commissioner for the Uncovenanted Civil Service Examinations to point out that candidates passing the Police test are not required to pay any fee, or to produce a certificate of Vaccination, and that they are permitted to pass in the Vernacular, when candidates for any other test could not be permitted to do so under the rules.

No. 7. From the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Chief Secretary to Government, Fort Saint George; dated 16th April 1866, No. 150.

I am directed by the Commissioner for the Uncovenanted Civil Service Examinations to acknowledge the receipt of the endorsement on Petition, No. 2151 of 1865, calling for a report on the question as to whether candidates who have passed the Police test should be exempted from examination in the lower grade of the Criminal test, which is common both to the Police examination and to the tests qualifying for offices such as that of Tahsildar, when endeavouring to pass in the latter.

2. The Police test was introduced at the request of the Inspector General of Police in 1863, and various privileges were granted to candidates for this test, on the express ground that passing in it would not qualify for any office, but that of Police Inspector.

3. Candidates were accordingly admitted, irrespective of the rules whether they had passed the General Test or not. They were allowed to pass in the Vernacular, when, under the rules, they would have had to pass in English. They have paid no fee, and they have been required to produce no Vaccination Certificate.

4. The Commissioner is of opinion that, if candidates who have passed the Police test desire to share in the general advantages of the examination, it will only be fair to require them to relinquish the special privileges which they have secured as members of the Police Department.

5. If they have conformed, or can now conform, to the rules in all respects, the Commissioner is prepared to treat the question of exemption just as it would be treated in ordinary cases, so that candidates who have passed the Police test will be no worse off, and no better off, for their employment in the Police Department.

Ant. General

*Proceedings of the Madras Government, Judicial Department,
2nd May 1866.*

6. With regard to the Petition now before Government, the Commissioner remarks that A. Venkata Row has been specially exempted from passing in the General Test by G. O., 9th January 1866, No. 26, and that he appears to have passed for Court Sheristadar at the last Special Test Examination, so that he must have conformed to the rules in all respects, and the Commissioner will be prepared to allow him to claim any exemption at future examinations which is allowed to other candidates under the rules.

7. The question as to whether, in cases of this kind, a passed Police Inspector should be required to pass the General Test before being admitted to the Special Test, is one for the consideration of Government. The Commissioner, however, is not of opinion that employment in the Police Department as a Police Inspector should, in itself, be made equivalent to passing the general examination. Every exception and irregularity in working the rules make it the more difficult to apply them in particular cases, and tend to excite discontent.

Referred to the Inspector General of Police, for his remarks on the 1st and 7th paragraphs of the Commissioner's letter.
FORT SAINT GEORGE,
17th April 1866.

(Signed) J. GROSE,
Under Secretary.

No. 8. From the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd April 1866, No. 640.

With reference to the Endorsement, dated 17th April, on the letter of the Secretary to the Commissioner of Uncovenanted Civil Service Examinations, under date 16th idem, No. 150, I have the honor to state that I concur in the justice of the Commissioner's views.

2. All that I require is a Police test for Police service. If either passed Police Officers or other candidates seek to obtain a standing for General Service, they must of course conform to all the rules.

No. 9. ORDER THEREON, 2nd May 1866, No. 660.

The Governor in Council concurs with the Commissioner for the Uncovenanted Civil Service Examinations, and the Inspector General of Police, in thinking that the Police test should qualify for employment in the Police service only, and should not give a claim to exemption either from the General Test Examination or from any portion of the Special Tests. When Police Officers seek for employment in the General Service, they must, like other candidates, conform in all respects to the rules applicable to the Service Examinations.

6. With regard to the Petition remarks that A. Venkata Row has passed the General Test by G. O., 9th January 1866, for Court Sheristadar at the same time as the other candidates have conformed to the rules in all respects to allow him to claim any exemption other candidates under the rules.

7. The question as to whether he should be required to pass the General Test, is one for the consideration of the Government. It is not of opinion that employment should, in itself, be made equivalent to an exception and irregularity in work in particular cases, and tend to the improvement of the service.

Referred to the Inspector General of Police, 7th paragraph of the Commission of Enquiry, Fort Saint George, 17th April 1866.
