Proceedings of the Madras Government, Judicial Department, 2nd May 1866.

No. 25. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 30th April 1866, No. 1091.

I have the honor to forward a letter from Mr. Cherry, Sessions Judge, in charge of the Native Jail at Ootacamund, in which he recommends a remission of a portion of the sentence of one Golla Ramen, and the payment to him of a gratuity.

2. It appears that this convict was convicted at Trichinopoly of robbery on the 16th October 1854, and that he was transferred to Ootacamund, in March 1861, with a good character, which he has maintained ever since. It is also stated by Mr. Cherry that this convict has always been a willing, hard working man, and that he was very useful when the European Prison was being built.

3. I therefore request that Government will be pleased to remit two years of his sentence, and to grant him a gratuity of 30 Rupees to be paid at the time of his discharge.

From J. W. CHERRY, Esq., Sessions Judge, in charge of Native Jail, Ootacamund, to the Inspector General of Jails, Ootacamund, dated Ootacamund, 20th March 1866, No. 30.

I have the honor to bring to your notice the case of convict Golla Ramen now undergoing a sentence of 14 years' imprisonment with hard labor in the Jail at this station.

2. This man was sentenced to 14 years' imprisonment with hard labor for robbery by open violence attended with aggravating circumstances at Trichinopoly, on the 16th October 1854, and has therefore been imprisoned 11 years and 5 months, he was received into this Jail in March 1861, with a good character which he has maintained ever since.

3. He is by trade a blacksmith, and has at all times proved himself a willing, hard working man, and has been most useful, particularly so when the European Prison was being built. I trust therefore you will take into consideration his long imprisonment, and submit his case for the favorable consideration of Government, with a view to his obtaining a remission of sentence, and some remuneration for his labor, which has been valuable as an artificer.

No. 26. ORDER THEREON, 2nd May 1866, No. 669.

Under the circumstances represented in the foregoing letter, the Governor in Council is pleased to remit the unexpired portion of the sentence passed upon the convict Golla Ramen, now in confinement in the Jail at Ootacamund, and authorizes the Sessions Judge to present him with a gratuity of Rupees (30) thirty on his release.
