Proceedings of the Madras Government, Public Works Department.
27th April 1866.

No. 629. Read the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George, dated Calicut, 9th April 1866, No. 45:—

1. I have the honor to bring to the notice of Government that a permanent Government Office building is much wanted at Gudalur, South-East Wynad.

If a Deputy Collector is appointed, as I have before recommended, it would be his office, under present arrangements
Vide Collector's letter to Government, dated 23rd August 1865, No. 111. it would be the Sub-Magistrate's.

2. The present Sub-Magistrate's office building is not a permanent one; but might be made over, when other accommodation is provided for a Magistrate's office, as a rest-house till a better rest-house is provided.

3. The number of travellers passing Gudalur is great, and the want of a rest-house is much felt.

A small building, intended for one originally, but afterwards repaired and made over for the use of the Apothecary, is now, and should continue to be, at the tenancy of that functionary.

4. An experimental regular Post Office has just been opened at Gudalur. Till then there was a District Post Office only. But with the opening of the Karkur Ghaut, Neddiwattum Ghaut, &c., in early prospect, there is no doubt whatever that the place is of sufficient importance to have a regular Post Office.

5. I beg, therefore, that the Superintending Engineer, 7th Division, may be called on for a plan and estimate of a building suitable for a Magistrate's Office and Post Office.

The Police are otherwise provided for at Gudalur, a building similar to that now erecting at Vythry, with the Police accommodation therein afforded modified so as to suit postal requirements would, I think, suit the necessities of the case very well.

1. Transferred to the Public Works Department for the issue of the necessary orders.

2. The plan and estimate should provide for a suitable subsidiary Jail.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

FORT SAINT GEORGE,
24th April 1866.

No. 630. ORDER THEREON, 27th April 1866, No. 1,320.

CIVIL WORKS, No. 65.

The Superintending Engineer of the 7th Division is requested to prepare and submit a plan and estimate for the building referred to in paragraph 5, taking care to provide for a suitable subsidiary Jail.
