Proceedings of the Madras Government, Judicial Department,
3rd May 1866.

No. 53. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 24th April 1866, No. 1064.

I have the honor to bring to your notice that Assistant Surgeon Pearse, Superintendent of the Jail at Calicut, quitted his station on leave on the 15th March and returned on the 25th idem.

2. Mr. Overbury, an Assistant to the Magistrate, relieved Dr. Pearse as Superintendent, and the Medical duties were performed by Dr. Tyrrell, but these arrangements were made entirely without my knowledge, and it was only by accident that I became aware that Dr. Pearse had been absent, and then not until after his return.

3. Although Superintendents of Jails are appointed by the Government, cases may arise rendering it necessary for the principal local authority to make arrangements for the temporary relief of the Officer in charge, but in all such cases the fact ought to be reported for the information of the Inspector General of Jails, both by the permanent incumbent and by the relieving officer; and except in cases of emergency no relief ought to take place without the sanction of Government, with whom it rests to fill the vacancy.

No. 54. ORDER THEREON, 3rd May 1866, No. 683.

The Governor in Council directs that the Inspector General of Jails will intimate to the several Superintendents of Jails that, except in cases of emergency, they are not to quit their stations or make over charge of the Jail to any other Officer without having obtained the previous authority of the Inspector General.

2. In cases of emergency the Superintendent of the Jail should notify his intended departure to the Magistrate, who will place one of his Assistants in charge. The departure of the Superintendent, and the arrangements made in consequence, should also be reported by the Magistrate to the Inspector General.
