*Proceedings of the Madras Government, Judicial Department,
15th January 1866.*

Read the following :—

No. 95. From the Officiating Comptroller General of Accounts, to the Secretary to the Government of India, Financial Department; dated 9th December 1865, No. 856.

I have the honor to state that, in the Resolution of your Department, No. 1214, dated 6th July 1864, paragraph 5, it is ruled that, when the accumulations in any province on account of the Police Superannuation Fund amount in the aggregate to Rupees 500, they will be transferred by the Deputy Auditor General to a Book Debt Account, bearing interest at $4\frac{1}{2}$ per cent., &c. This ruling necessitates a debit to the head of "Police Superannuation Fund," and a transfer credit *per contra* to Book Debt Account, which adjustment, I beg to submit, is not required in the Public Books for the treatment of the Police Fund assets as a Book Debt. As soon as the subscriptions to the Fund are realized and credited in account, the amount becomes a Book Debt, or, in other words, a Debt due by Government, and acknowledged as such on its Books. The separate Investment Account not being required, or employed, in the case of other Funds, the assets of which are treated as Book Debt, should, I would submit, be discontinued.

2. The interest on the monthly balances of the Funds will be carried yearly to credit of "Police Superannuation Fund" by debit to the head of "Interest."

From the Secretary to the Government of India, Financial Department, to the Officiating Comptroller General of Accounts; dated Fort William, 23rd December 1865, No. 3557.

Financial Department.
