Proceedings of the Madras Government, Judicial Department, 5th May 1866.

No. 78. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 2nd May 1866, No. 5.

I have the honor to report that the Jail for 100 Hill prisoners, now being built at Parvatipur, will probably be finished during the month of June, and that it will be necessary to provide an establishment.

2. Mr. Carmichael informs me that as the Head Quarters of his Senior Assistant are at Parvatipur, that Officer will be able to sign the returns and generally to supervise, but that as he is obliged to make frequent tours, and is usually in the Coast Taluqs for some months, it will be essential to have a steady European Jailer, whose salary, considering the unusual degree of responsibility, and the nature of the locality, he recommends should be 75 Rupees.

3. No premises of any kind are available for hire as Jailer's quarters, but there is plenty of good ground immediately adjacent to the Jail upon which a small Bungalow can be erected, and I have requested the Superintending Engineer to furnish me with a plan and estimate for this building, which has not yet been received.

4. There is an Apothecary attached to the Police Hospital, who might look after the Jail in addition, but Mr. Carmichael is of opinion that he should have a Dresser under him. The Police Hospital is close to the Jail.

5. The establishment I would propose as follows:—

	Rs.	A.	P.
1 European, or East Indian Jailer...	75	0	0
1 Head Warder at	8	0	0
5 Warders at 7 Rupees each	35	0	0
Total...	118	0	0

No. 79. ORDER THEREON, 5th May 1866, No. 693.

The Governor in Council sanctions the Establishment proposed in the foregoing letter for the Jail at Parvatipur, at a monthly cost of Rupees 118. The charge will be included in the Statement of fresh charges forwarded to the Government of India.

2. The Apothecary in Medical charge of the Police should furnish Medical attendance to the Jail. As the Police Hospital and Jail are close together it seems scarcely necessary to appoint a Dresser in addition, but on this point the Inspector General should confer with the Principal Inspector General, Medical Department, and report further.

3. The plan and estimate for the erection of quarters for the Jailer should be prepared as soon as possible.
