I have the honor, by direction of the Accountant General, to report for the information of Government that, in consideration of the lapse this day of the Budget grants for 1865-66, and the desirability to pay, as far as possible, charges belonging to one official year from the Budget grant for the same, I have admitted, in anticipation of Government sanction being obtained by the Officers in question, items* in the Contingent bills of the Commissioner of Police, Inspector General of Police, and Government Agent, Chepauk, which should properly have been sanctioned by Government in the first place. When admitting the charges, I informed those Officers that, should Government not be pleased, upon their application, to sanction the expenditure so incurred, the amount will be retrenched from their next Contingent bills.
