Proceedings of the Madras Government, Judicial Department,
11th May 1866.

No. 119. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 20th April 1866, No. 1048.

Judicial Department, 7th April 1866, No. 512.

With reference to the Order of Government noted in the margin, fixing the salaries of Jailers of District Jails as follows, viz.,

1st Class Jails with 500 prisoners and upwards, Rupees....	100
2nd „ „ „ 150 „ and below 500 „	75
3rd „ „ „ prisoners under 150 „	50,

I have the honor to request you will inform me upon what principle the classification is to be made, whether with reference to the accommodation a Jail is capable of affording according to the regulated standard of cubical space, or with reference to the actual average daily number of prisoners during the month.

2. As the responsibility and labor of a Jailer is in proportion to the actual number under his charge, I submit that his allowance should be regulated accordingly.

No. 120. ORDER THEREON, 11th May 1866, No. 719.

The Governor in Council is of opinion that the salaries of Jailers must be fixed with reference to the number of prisoners the jails are capable of accommodating. To make the salary of each Jailer contingent on the average daily number of prisoners in confinement during the month, would, in the opinion of His Excellency in Council, be objectionable.

I think that the application of
this order would in some cases
reduce the number of prisoners
to much. I don't see how
it can be done in
Carson.
