*Proceedings of the Madras Government, Judicial Department,
11th May 1866.*

No. 123. Read the following letter from the Acting Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 24th April 1866, No. 19.

I see by the Gazette that Mr. McWatters has passed the prescribed test for the First Standard, and has consequently been invested with the powers of a 1st Class Magistrate. As Mr. Comyn (the Head Assistant) is the only Officer whom I have with "full powers," I find that the Magisterial work is carried on to the detriment of other business. I therefore urgently request that Mr. McWatters may be also granted "full powers." I make this application knowing that Mr. McWatters is quite fit for the duties that he will be called upon to execute.

No. 124. ORDER THEREON, 11th May 1866, No. 721.

The Governor in Council does not consider that the reasons advanced by the Acting Magistrate are sufficient to justify the Government in breaking through the rule under which the full powers of a Magistrate are granted only to those Assistants who have passed the Assistants' Examination according to the higher Standard, or who have been appointed to act as Head Assistants.

To the Acting Magistrate of Trichinopoly.

No 721- 11 May 1886.

The Governor in Council does not consider that the reasons advanced by the Magistrate are sufficient to justify the appointment in breaking through the rule under which the full powers of a Magistrate are granted only to those assistants who have passed the Assistant's Examination according to the higher standard, or who have been appointed to act as Head Assistants.
