In forwarding the accompanying bills for the carriage of stationery for the sanction of Government, I have the honor to

1 Bill for conveying stationery from Cannanore to Calicut...Rs. 15 4 0 state that no special provision was made in the Medical Budget on this account, under the impression that the stationery Depot would provide the necessary funds; but I have now learned that that Department provides for the carriage of stationery only to Divisional Head Quarters Stations, leaving the expense of subsequent distribution to be departmentally met. There are however sufficient funds in the Budget of the Medical Department to meet this trifling charge.
