No. 151. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 8th May 1866, No. 731.

I have the honor to submit, for the favorable consideration of Government, the accompanying application from Captain Tennant, Deputy Inspector General of Northern Range, to be allowed to draw pay from the 18th January to date of joining his Range on the 6th February, together with travelling expenses to Vizagapatam.

2. Captain Tennant returned from England, whither he had proceeded on sick leave, on the 10th January 1866. At that time, Captain Bowen, who was acting for him, was engaged in quelling the disturbances in the Sowrah Hills. The interest of the public service required that he should remain in charge of the Division until this duty was completed. He could not then be relieved, or the duty safely change hands.

3. I telegraphed to that effect, and recommended that Captain Tennant be detained in Madras on special duty.

4. Under this uncertainty, Captain Tennant lost the opportunity of joining his Range by the Steamer *Punjaub*, which left Madras on the 18th January.

5. I recommend that pay be allowed to Captain Tennant from the date of arrival of the Steamer *Punjaub* in Vizagapatam—the date on which, under other circumstances, he would have joined his Range.

6. I do not consider that Captain Tennant has claims to travelling allowance.

From Captain T. E. TENNANT, Deputy Inspector General of Police, to the Inspector General of Police, Madras; dated Vizagapatam, 2nd May 1866.

I venture to bring to your notice the great pecuniary loss and expense I have suffered by not at once assuming charge of my appointment on my return to India.

2. At the time of my return from Europe on the 10th January last, the Acting Deputy Inspector General was actively engaged in quelling the disturbances in the Sowrah Malyahs. I was informed that you wished me to remain in Madras, as you were satisfied that it was but right, and to the advantage of the public service, that Captain Bowen should finish the service he had commenced. Captain Bowen was placed on special duty, and drew the allowances, but as I did not join my range at Vizagapatam until the 6th February, I received merely the balance of my staff Corps pay, and being ordered to join at Vizagapatam (I had to pay my own passage up the Coast), otherwise I might have assumed charge of the Range in the Nellore District.

3. I am aware that the Audit Department cannot admit my claims without orders from Government, but should you consider that there are grounds for a special case, I have the honor to request you will solicit Government to grant me the pay of my office from the 18th of January (the date of departure of the Steam Ship *Punjaub* from Madras) and my travelling expenses (110 Rupees) to Vizagapatam.

No. 152. ORDER THEREON, 17th May 1866, No. 745.

Under the circumstances explained in the foregoing letter, His Excellency the Governor in Council sanctions the disbursement to Captain Tennant of his pay as
