Proceedings of the Madras Government, Judicial Department,
23rd May 1866.

No. 246. Read the following letter from H. E. SULLIVAN, Esq., Acting Magistrate of Kurnool, to the Chief Secretary to Government, Fort Saint George; dated Kurnool, 12th May 1866, No. 14.

In his letter, dated 29th October 1857, No. 28, replying to the Circular Order of Government, dated 19th October 1857, No. 1266, Captain Russell, who was then Agent to the Governor at Kurnool, reported that, so far as he was aware, there was not a Cannon, Howitzer, or Mortar in the District; but he appears to have been misinformed, as I find there are in the Town and Fort of Kurnool no less than 18 pieces of old Cannon and one Mortar, of which I enclose a list, showing where they are situated. As I observe that there is still a Sub-Conductor of the Ordnance Department detached for the purpose of bursting guns at the out-posts and stations of the Presidency, I would recommend his being directed to visit Kurnool, for the purpose of destroying these old guns.

2. Captain Russell may have imagined that the Order of Government applied only to guns in use; but I am under the impression that it had reference to old pieces as well.
