No. 279. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd April 1866, No. 1060.

I have the honor to request that a Medical Subordinate, of the grade of 1st or 2nd Dresser, may be appointed to the Medical charge of the convicts at Neddiwuttum.

2. This duty has hitherto been performed by a Subordinate of Mr. McIvor's Department, who was detached for that purpose; but I am now informed by Dr. Miller that it is desirable to supersede this arrangement by permanent provision for medical attendance, and he is of opinion that a person of either of the grades specified in the first paragraph of this letter will suffice.

3. The services of Mr. Beckett, who was named in Mr. Rohde's letter, published in the Proceedings noted in the margin, were not available.

Judicial Department, 6th February 1866, No. 178.

No. 280. ORDER THEREON, 26th May 1866, No. 818.

Adverting to the recommendation made in the foregoing letter, the Governor in Council observes that Mr. Rohde, in the postscript of his letter of the 29th January last, recorded in the Proceedings of Government of the 6th February 1866, No. 178, stated that Dr. Miller, at that [illegible]th ought it "necessary that an Apothecary, and not a Dresser, should be in charge" of the gang at Neddiwuttum, "instancing the failure at Lovedale till the Dresser was superseded." His Excellency in Council thinks it very desirable that an efficient Medical Subordinate of the Apothecary grade should be appointed for this duty, and requests that the Principal Inspector General, Medical Department, will make the necessary arrangement, with as little delay as possible.
