No. 26. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Kotagherry, 23rd May 1866, No. 826.

General Department.

With reference to Government Order, of the 15th November 1865, No. 1629, I have the honor to forward a letter, in original, from the Superintending Engineer, 3rd Division, dated 14th May 1866, No. 142, stating that the cost of constructing a District Police Office at Kurnool, on the plan given, will be Rupees 6000. This, however, does not include the cost of a Magazine with an iron roof, regarding which Major Moberly suggests a reference to the Superintendent Government Workshops.

2. I also enclose an original letter from the Superintendent of Police, Kurnool, dated 6th December 1865, No. 394, in which that Officer informs me that the owner of the building now used as the District Police Office has agreed to keep it in repair. The rent paid is Rupees 50 per mensem.

3. I think it will be unnecessary to take further steps for the provision of a District Police Office in Kurnool at present. I have addressed Government in a separate communication* regarding the storing of Police ammunition generally.

* No. 718, 5th May 1866.

From the Superintending Engineer, 3rd Division, to the Inspector General of Police; dated Bellary, 14th May 1866, No. 142.

With reference to letter, No. 2251, of the 20th November 1865, I have the honor to inform you that the Executive Engineer in charge of the Kurnool Range reports that the cost of constructing a District Police Office at Kurnool, on the plan sent by you, will be Rupees 6000. This, however, does not include the cost of constructing a Magazine with an iron roof.

2. On my calling for an estimate of the cost of the Magazine, Major Flint states that he is unable to find out what would be the cost of the iron roof, as no work of the kind has ever been carried out at Kurnool. To prevent any further delay, I would beg to propose your communicating with the Superintendent of Government Workshops in Madras, and furnishing him with a plan of the Magazine you wish, and obtaining from him an estimate of what the cost of it would be at Madras; we should then only have to allow extra for carriage and putting up.

From the Superintendent of Police, Kurnool, to the Assistant Inspector General of Police, Madras; dated Kurnool, 6th December 1865, No. 394.

With reference to the latter part of G. O., No. 1629, of the 15th ultimo, and your letter, No. 2250, dated 20th idem, I have the honor to inform you that the owner of the building occupied as the District Police Office has now agreed to keep it in proper repair.
