*Proceedings of the Madras Government, Public Works Department,
29th May 1866.*

Read the following papers:—

No. 686. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp Ramandroog, Hospet Taluq, 23rd April 1866, No. 270.

With reference to G. O. No. 3,334, of the 4th November 1865, I have the honor to forward a plan and estimate for a Cantonment Magistrate's Office at Bellary, amounting to Rupees 7,150.

Referred to the Judicial Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

FORT SAINT GEORGE,
28th April 1866.

No. 687. Memorandum from the Chief Secretary to Government in the Judicial Department:—

(Here enter No. 164, dated 23rd May 1866.)

From the Cantonment Magistrate, Bellary, to the Under Secretary to Government, Judicial Department, dated Bellary, 9th May 1866, No. 145.

1. I have the honor to acknowledge the receipt of your official Memorandum, * No. 139, dated 3rd instant, forwarding plan for the Cantonment Magistrate's Office at this Station, and requesting my opinion thereon.

* Herewith returned with its accompaniments.

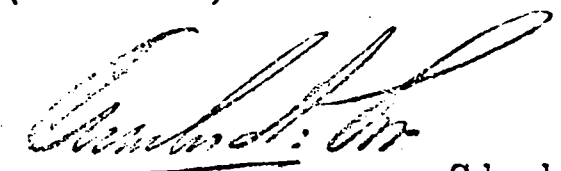

2. I consider the plan fully to meet the requirements of my office; the only suggestion I would beg to offer is, that the depth of the Court room be increased to twenty feet. The depth of room as shown on the plan is but sixteen feet, of which five is taken up by the bench, and six or seven feet more at least is requisite between the bench and the outer railing for the Court Moonshee, Pleaders, &c., leaving but five feet at most to the door itself, which is not, in my opinion, quite space enough.

No. 688. ORDER THEREON, 29th May 1866, No. 1,703.

MILITARY WORKS, No. 29.

The Superintending Engineer of the 3rd Division will be requested to revise the plan of the proposed new office for the Cantonment Magistrate at Bellary with reference to the suggestions made by Captain MacLeod in his letter above recorded, and to submit it together with a fresh estimate of the cost of the work.
