Head Assistant Magistrate, for Mr. Hardinge has gone to Bellary for examination and therefore these orders cannot be obeyed. I beg again to state that it is utterly impossible that I can carry on the work of this large District without a proper complement of Officers.

3. It is many months now since I had a European Assistant to travel with me.

The Inspector General, Medical Department, is requested to state whether the services of a Commissioned Medical Officer can be made available for the Zillah Surgeoncy of Cuddapah.
