*Proceedings of the Madras Government, Judicial Department,
12th July 1867.*

Read the following papers:—

No. 139. From the Acting Magistrate of Nellore, to the Chief Secretary to Government, Fort Saint George; dated Nellore, 13th June 1867, No. 24.

Government, in their Proceedings, No. 682, dated 29th April 1867, sanctioned the detention in Hospital of a female lunatic, by name Gangula Mahlatchmi, directing a report to be submitted in her case after two months. As the Civil Surgeon considered it unfit to remove her to the Civil Hospital, she was detained at the Jail Hospital.

2. I now forward copy of letter from the Zillah Surgeon and Superintendent of the Jail, reporting that the woman is now worse than ever. I have, therefore, to request that Government will sanction her removal to the Lunatic Asylum at Madras.

From Surgeon E. E. LLOYD, Superintendent of the Jail, Nellore, to the Acting Magistrate, Nellore; dated Nellore, 12th June 1867, No. 88.

With reference to your Memorandum, No. 70, dated 3rd May 1867, at the foot of G. O., No. 682, dated 29th April 1867, in which I was requested to submit a statement regarding the state of the mind of an insane female patient, Gangula Mahlatchmi, I have the honor to mention that she is now worse than ever since the time of her admission into this Jail—noisy, mischievous, and troublesome to the rest of the prisoners confined in her neighbourhood. I would, therefore, suggest her transfer to the Lunatic Asylum at Madras, for further treatment and observation.

Referred to the Inspector General, Medical Department, for report, whether the cells adverted to in Proceedings of Government, dated the 16th ultimo, No. 806, have been rendered fit for the use of patients, and, if not, when they are likely to be ready.

FORT SAINT GEORGE,
24th June 1867.

(Signed) F. BRANDT,
Ag. Under Secy. to Government.

No. 140. From the Superintendent of the Lunatic Asylum, Madras, to the Deputy Inspector General, Indian Medical Department, Presidency Division; dated Madras, 27th June 1867, No. 159.

I have the honor to acknowledge receipt of Memorandum, No. 2313, dated 26th June, from the Acting Secretary, Inspector General, Indian Medical Department, giving cover to a Memorandum from the Acting Under Secretary to Government, and correspondence* regarding an insane Native female in the Jail at Nellore.

* Letter, No. 24, dated Nellore, 13th June 1867, from Acting Magistrate of Nellore, and copy of letter, No. 88, 12th June, Nellore, from the Superintendent of Jail.

2. In reply, I have to state, that this person can be received into the Asylum, the Inspector General of Jails having some time ago requested me to be prepared to receive her.

3. With regard to the query in the Acting Under Secretary's Memorandum regarding the padded cells, I have the honor to state that the removal of the padding has not yet been completed. I would also remark that the cells in question are in the male court, and will only, therefore, be available for male patients.
