*Proceedings of the Madras Government, Public Works Department,
7th January 1867.*

No. 93. Read the following letter from the Collector of Trichinopoly, to the Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 30th November 1866, No. 62:—

1. In reference to paragraph 2 of the Order of Government dated 2nd instant, No. 1,732, I have the honor to report that the site required for the purposes of the proposed Central Jail has been purchased, and the same put in the possession of the Superintending Engineer this day.

2. The site actually required for the Jail itself is Acres 30·37 in extent, and around this site a further space of Acres 101·63 has been purchased, as agreed upon by the Committee, for the purpose of keeping the neighbourhood of the Jail clear of building, cultivation, &c.

3. The extent above given, together with a piece* of ground purchased for entrance connecting the Jail with the main road, amounts to Acres 132·73;† of this Acres 6·7 is immemorial waste, and the rest, viz., Acres 126·03, belongs to private individuals. The compensation

fixed in satisfaction of all claims to one portion of this private property, viz., Acres 80·42, and to a well and cultivation, &c., standing thereon, amounts to Rupees 1,479-12-0.

4. On the north-east portion of the tract now selected for the site of the new Jail stands the Golden rock, and Captain Oakes requested me to purchase this as a quarry for stone, wherewith to erect the new structure. This rock had been purchased by a small Joint Stock Company from the Nabob's estate when sold by Mr. Dale, and was a remunerative investment for them, as stone was quarried therefrom for the town. The Railway Company bought $\frac{1}{4}$ th of this hill for 400 Rupees, but we have managed to purchase the remaining $\frac{3}{4}$ ths and Acres 45·61 of land at the base now included in the Jail site for Rupees 1,600. This is a very favorable arrangement for Government. The Railway Company ask Rupees 266-10-8 for what is left of their $\frac{1}{4}$ th, but as we have already as much as we want, and as this would be purchasing at the rate of Rupees 4,266-10-8 for the rock alone without any land, they may as well retain their portion. The total amount for which I now solicit sanction is Rupees 3,079-12-0. Thus—

Transferred to the Public Works Department.
