MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—
From the Officiating Secretary to the Government of Bengal, Fort William, 1st June 1867, No. 3444; to the Chief Secretary to the Government of Fort Saint George.

Judicial.

The Government of India having directed that the rules for the sanitary administration of Military Cantonments, framed under Section 19 of Act XXII of 1864, by a Special Commission which sat at Simla for that purpose, should be brought into operation in all the Military Cantonments in the Lower Provinces, the rules have already been introduced into most of the cantonments within the territories under the Lieutenant Governor's control. The Lieutenant Governor is now desirous of extending them to Cuttack, but the troops stationed in that cantonment being under the Madras Government, His Honor, before taking any steps to that end, begs to be informed if His Excellency the Governor of Madras in Council has any objection to the measure.

2. No Cantonment Committee has been appointed at Cuttack, and there is no Cantonment Magistrate at that station. But cases of this kind are provided for by the rules in question, inasmuch as under Rule 9, Chapter II, in a Cantonment where no Committee is appointed, the Commander-in-Chief, with the concurrence of the local Government, may authorize the Officer Commanding the Cantonment to exercise the powers of the Cantonment Committee; and under Rule 3, Chapter IV, the functions of the Cantonment Magistrate may be performed by any Officer vested by the local Government, under Section 20 of Act XXII of 1864, with powers to try breaches of the rules and regulations of the cantonment.

3. Under the above provisions, the Lieutenant Governor proposes to appoint the Magistrate or Joint Magistrate of Cuttack to take the place of the Cantonment Magistrate, and if the Commander-in-Chief of Madras will empower the Officer Commanding the Troops at Cuttack to perform the functions of the Cantonment Committee, all the requirements of the case will have been met, and the necessary provision made for the sanitary requirements of that important station.

4. It is understood that the rules which it is now proposed to introduce at Cuttack, have already been brought under the notice of the Madras Government, and are already in operation in Kamptee and other stations of the Central Provinces garrisoned by Madras troops.

ORDER, No. 2493, 9th July 1867.

Communicated to the Commander-in-Chief, in view to the necessary instructions being issued for the introduction at Cuttack of the rules adverted to, in the manner proposed in paragraph 3 of the foregoing letter.
