No. 156. From the Acting Clerk of the Crown, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd May 1867.

I have the honor to acknowledge the receipt of your letter of the 25th ultimo, and am directed by the Chief Justice to request that the High Court may be favored with a reference to the legal provisions which, in the opinion of the Government, empower the Court to issue Commissions appointing Justices of the Peace to act within Mysore and Coorg.

2. The present opinion of the Chief Justice is that the power which the Court possesses, under 47 Geo. III, Chapter 68, Section 5, and Act VI of 1845, is (with the exception provided for by 2 and 3 Wm. IV, Chapter 117, Section 1) confined to Commissions appointing Covenanted Servants and British subjects resident in the Presidency to act as Justices of the Peace within and for the provinces and places territorially subject to the Executive Government of Madras, which Mysore and Coorg are not.

3. The Proclamation issued by the Governor General under 28 Vict., Chapter 15, has not been overlooked. It applies to the trial and punishment of European British subjects for offences committed in Mysore and Coorg, but has, the Chief Justice thinks, in no respect altered the power given to issue Commissions of the Peace; and he sees no reason to doubt that, if (as is believed to be the case) the gentlemen named in your letter have been appointed Justices of the Peace in and for either Mysore or Coorg by Commissions from the High Court of Bengal, their appointments are valid.

*Proceedings of the Madras Government, Judicial Department,

4. I am desired to add that two of the other Judges concur in thinking that the issuing of the Commissions is not within the statutory power.

MEMORANDUM.

With reference to the letter from the Acting Clerk of the Crown, dated 23rd May 1867, the undersigned has been directed to inquire whether it has been brought to the notice of the Chief Justice that Commissions appointing the Justices of the Peace to act within the Hyderabad Territory were issued in July 1861 by the Judges of Her Majesty's Supreme Court of Judicature at Madras. The province of Hyderabad, like those of Mysore and Coorg, is not subject to the Executive Government of Madras, but to that of the Government of India.

No. 157A. From the Acting Clerk of the Crown, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 3rd July 1867.

Adverting to the Memorandum, dated the 21st ultimo, and signed by the Honorable A. J. Arbuthnot, Chief Secretary to Government, I am directed, by the Honorable the Chief Justice to inform you that, at the time my letter of the 21st of May 1867 was written, it had not been brought to the notice of the Chief Justice that Commissions appointing Justices of the Peace to act within the Hyderabad Territory were issued by the Judges of the late Supreme Court of Judicature at Madras in July 1861.

2. The Chief Justice desires me to say that he does not see any distinction between Mysore and Hyderabad with reference to the power of issuing Commissions appointing Justices of the Peace; but he is of opinion, for the reasons stated in my letter of the 21st of May 1867, that the High Court has no power to issue such Commissions for the territories abovementioned, or for the Province of Coorg.

ORDER THEREON, 15th July 1867, No. 1117.
From this correspondence, it appears that the Secretary to the Government of India, referring to the Notification of that Government, dated 10th January 1867, No. 221, suggested to the Commissioner of Mysore the propriety of his obtaining, through the local Government, Commissions of the Peace for Officers in civil employ in Mysore, and for all Officers to whom it may be considered hereafter desirable to give the powers of a Justice of the Peace, from the High Court of Madras, to which all committals of European offenders will hereafter be made.

Letter, 4th March 1867, No. 2178.

2. The Officiating Commissioner of Mysore accordingly forwarded a correct list of the Officers in civil employment in Mysore and Coorg who hold Commissions of the Peace from the High Court at Calcutta, and requested that Commissions of the Peace may be issued to these Officers by the High Court of Judicature in Madras.

4. The Chief Justice has, however, requested that the Judges of the High Court may be favored with a reference to the legal provisions which, in the opinion of the Government, empower the Court to issue Commissions appointing Justices of the Peace to act within Mysore and Coorg, and states that "it is his present opinion that the powers which the Court possesses, under 47, Geo. 5. The Governor in Council directs that these papers be referred to the Acting Advocate General, who will be requested to give an opinion on the question raised in paragraph 1 of the letter from the Clerk of the Crown, dated 23rd May 1867, as to the legal provisions, if any, which would empower the High Court of Madras to issue Commissions appointing Justices of the Peace to act within Mysore and Coorg.

The Secretary to the
Government of India,
referring to the Notifica-
tion of that Government
dated 10th January 1867 No. 221,
suggested to the Commis-
sioner of Mysore the
propriety of his obtaining,
through the local Govern-
ment, commissions of the
Peace for Officers in Civil
Employ in Mysore, and
for all officers to whom
it may be considered

missioner of Mysore ac-
cordingly forwarded

held Commissions of the
Peace from the High Court

that Commissions of the
Peace may be issued to these officers
by the High Court of
Judicature in Madras.

3. In compliance
with this request, the
officers referred to were
appointed Justices of the
Peace, within and for
the Presidency of Fort St.
George &c., and the Clerk
of the Crown was requested,
with the sanction of the
Honble the Judges of the
High Court, to issue Com-
missions of the Peace

provisions of Act VI of
1845.

4. The Chief Justice
now requests that the
Judges of the High Court
may be favored with
a reference to the
legal provisions which
empower the Court to
issue Commissions ap-
pointing Justices of the
Peace to act within
Mysore and Coorg.

5. Reference is made
to:-

47 Geo 3. Cap 68. Sec. 5.
Act 6 of 1845.

2 & 3 Willm 4. Cap 117. Sec 1.

and it is intimated that
the power which the High
Court possesses is confined
to provinces and places
subject to the executive
government of Madras,
which Mysore and Coorg
are not.

6 The Proclamation issued under 20 Vic. Cap. 15 by the Governor General is then adverted to, and the Chief Justice thinks that it has in no respect altered the power given to issue Commissions of the Peace, and he sees no reason to doubt that if the gentlemen specified in the list forwarded with letter dated 25 April, have been appointed by the High Court of Bengal, then appointments are valid.

7. It is added that two of the other judges concur in thinking that the issue of Commissions to Officers employed either in Mysore or Coorg is not within statutory power.

The Governor in Council directs that the papers be referred to the AG. Advocate General who will be requested to give an opinion on the question raised in Para 1 of the letter from the Chief Justice of 23rd May 1867. as to the legal provisions which would empower the High Court to issue Commissions appointing Justices of the Peace to act within Mysore and Coorg.

[Handwritten signature]

Letter of 31 July 1866, No. 50.

It may be so, but the Chief Justice states that this Proclamation has not been overlooked, and is considered to apply to only the trial & punishment of Empr. Brit. subjects - meaning, of course, that it does not give the Madras H. Court power to issue Commissions of the Peace to officers in Coorg & in Mysore.

Act 6 of 1845 limits that power to 1. of the appointed to be such within & for the Madras Presidency.

I gather from the papers in the packet that Comrs have been granted to men in Hyderabad, & the Madras H. Court. So the present is a new light. I think it is a good light. And I feel unable to dissent to what will induce the C. Justice & his two colleagues to look at the matter as a different one.

In a letter of the 13 June 61 in favour of 20 July 61 is an opinion by the late Mr. Ritchie. Adv. Genl. Calcutta - it may serve to certify etc. what at present seems rather a dilemma - He states that the High Courts have a concurrent jurisdiction which would enable the one Court to try a case or apprehend as the other - from which,

8. It seems clear from the Notification of the Government dated the 10th January 1867, No. 221, a draft of which was approved of by the Judges of the High Court, that the powers of the High Court have been extended to Coorg and Mysore, and that therefore the Court can issue the necessary Commissions of the Peace.

9. Commissions are issued by the High Court to the officers employed in the province of Hyderabad which, like Mysore and Coorg, is not subject to the Executive Government of Madras.

understand him to mean that if a case he comes to try any of the P-
whenever, in a district within the limits of the M. Court, the Court may try the person. I should have thought otherwise; but if Mr. P. is opinion is a good amount of time he has been, the duties of the Court in Mysore & Coorg may still be appropriate. The Court of the M. Court of Mysore & Coorg may be made of the Court of Mysore & Coorg. But the Court of Mysore & Coorg may be made of the Court of Mysore & Coorg.

The difficulty, however, still remains, that our High Court are of opinion that they cannot open Court to the P. appointed to the Court in Mysore & Coorg. We cannot show that they are unincorporated & therefore, I fear, refer the matter for instruction to the Court where an act may be passed removing the difficulty. W.D.
