Proceedings of the Madras Government, Public Works Department.
6th July 1867.

No. 151. Read the following letter from the Inspector General of Jails, to the Acting Chief Secretary to Government, Fort Saint George, dated Ootacamund, 24th June 1867, No. 51 :—

1. With reference to the Order of Judicial Department, 1st May 1867, No. 700. Government noted in the margin, I

have the honour to report that although an improved system of drawing water has been adopted, the large well in No. 5 yard of the Central Jail at Coimbatore is still very dangerous, owing to the large size of the mouth.

2. I have, therefore, the honour to request that instructions may be issued in the Department of Public Works either to have it boarded over and enclosed by a wall, or made safe in some other manner.

3. I annex a rough sketch, showing a section of the well. The mouth is square, and is at present defended by a slight fence of bamboos.

Transferred to the Public Works Department for disposal, in reference to the Proceedings in the Judicial Department, dated the 1st May, No. 700.

(Signed) R. S. ELLIS,
