No. 175. From the Magistrate of Tinnevely, to the Chief Secretary to Government, Fort Saint George; dated Courtallum, 28th June 1867, No. 337.

As requested, I have the honor to report on Government petition, No. 564, dated 15th March 1867.

2. One Soobramania Pillay, who had given false information in a murder case, absconded to Madras, but was arrested by the Police, on information given by petitioner, and was sentenced to seven years' transportation. The Commissioner of Madras Police is the authority to decide whether petitioner is entitled to reward.

Referred to the Commissioner of Police, for report.
(By Order).

MEMORANDUM.

No. 176.

With reference to petition, No. 564, referred to me for report, I think that the petitioner Annasawmy Moodelly is fairly entitled to reward for promptly communicating the information he had casually obtained, which led to the conviction of Soobramanien Pillay. I should have had no hesitation in rewarding Annasawmy Moodelly from the Secret Service Fund, but that the offence regarding which he gave information was not committed in Madras. The petitioner overheard a conversation which left little doubt that Soobramanien Pillay had been mixed up in a murder case at Tinnevely, and that he was in hiding from the authorities of that District. Petitioner might, doubtless, have obtained a large bribe for silence, but he at once communicated his information. There is a strong tendency in this country to screen offenders of good position, especially in murder cases, and I think that this instance of taking the side of public justice deserves liberal encouragement.
