*Proceedings of the Madras Government, Judicial Department,
17th July 1867.*

No. 198. Read the following letter from the Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 5th July 1867, No. 260.

I have the honor to report, for the information of Government, that the Acting Deputy Accountant General has objected to Assistant Surgeon deFabeck's claim to Rupees 100 per mensem, for medical charge of the Central Jail at Vellore, authorized in Proceedings of Government, Judicial Department, No. 180, of 4th February 1867, "for want of G. O. appointing Dr. deFabeck to the medical charge of the Central Jail at Vellore.

"The Order of 4th February 1867, quoted in support of the charge, only sanctions the allowance, and does not appoint Dr. deFabeck to that post."

2. I have, therefore, the honor to request that Government may be pleased to appoint Assistant Surgeon deFabeck to the medical charge of the Central Jail at Vellore, and to authorize the allowance to be passed to him from the 19th March last, the date on which the prisoners were huttet on the site of the Central Jail, agreeably to letter from the Inspector General of Jails, printed with their Proceedings, No. 743, of 8th May 1867.

3. I have also the honor to state that the claim of the Garrison Surgeon of Trichinopoly to the same allowance from the 7th May last, the date on which he assumed medical charge of the Central Jail at that station, has likewise been refused by the Acting Deputy Accountant General, on the ground that the Order of Government, communicating the sanction of the Supreme Government, limits the allowance to the Jails at Rajahmundry, Salem, and Coimbatore.

4. In their Proceedings, No. 1225, of 7th August 1866, this Government recommended the allowance of 100 Rupees uniformly for the medical charge of all Central Jails, and it is presumed that the Supreme Government restricted their sanction to the three stations mentioned, because those Jails only had been completed at the time of the Order.

5. As, however, specific sanction is required by the Accountant General in reference to every Central Jail, I have the honor to solicit that the Garrison Surgeon may be nominated to the medical charge of the Trichinopoly Central Jail, and the allowance authorized to be passed to him from date of assuming charge.

6. To obviate any future reference on account of the Central Jail at Cannanore, now in course of completion, and other institutions of the kind that may hereafter be established, I beg to suggest that the principle of remuneration may be declared by Government to be of general application.

No. 199. ORDER THEREON, 17th July 1867, No. 1139.

The Governor in Council is pleased to appoint Assistant Surgeon deFabeck to be in medical charge of the Central Jail at Vellore, and to authorize the payment to him, from the 19th March last, of the sum of Rupees 100 per mensem, sanctioned in G. O., dated the 4th February 1867, No. 180.

3. Upon the completion of the Central Jail at Cannanore, the Government will be prepared to sanction the disbursement of the regulated allowance to the Officer who may be placed in medical charge of the Jail.
