*Proceedings of the Madras Government, Judicial Department,
16th July 1867.*

No. 210. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th July 1867, No. 92.

The Registrar of Salem having recommended that a non-official Sub-Registrar should be appointed to Salem, on the ground that the Tahsildar is not able to attend to his registration duties in addition to the heavy work which devolves on him in his own department, I made a reference on the subject to the Collector. Mr. Pochin states, in reply, that the sooner the Tahsildar is relieved the better, but he suggests that, instead of a non-official Sub-Registrar, the Town Sub-Magistrate should be appointed, observing that he has no revenue work of any kind, and that his magisterial duties are not very heavy.

2. The number of registrations at Salem during the past official year was 871, and the fees amounted to Rupees 1572. The appointment of a special Sub-Registrar is, therefore, quite feasible, but I see no objection to the arrangement proposed by Mr. Pochin being adopted as a temporary arrangement, and beg, accordingly, to submit the accompanying appointment for sanction.

No. 211. ORDER THEREON, 16th July 1867, No. 1146.

The Governor in Council sanctions the appointment of the Town Sub-Magistrate of Salem to the office of Sub-Registrar of Assurances at that station.
