*Proceedings of the Madras Government, Judicial Department,
22nd July 1867.*

Read the following papers:—

No. 245. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George (through the Examiner of Claims); dated Fort Saint George, 6th July 1867, No. 262.

With reference to my letter, No. 307, dated 23rd May 1867, and Proceedings of Government thereon, with Order, No. 883, dated 29th May 1867, I have the honor to solicit that Government will be pleased to grant to Assistant Surgeon Busted sanction for 60 Rupees expended by him in proceeding to, and returning from, Chingleput.

2. Mr. Busted, having missed his passage to Burmah, was waiting unemployed at Madras for another opportunity to join his Regiment, when a sudden emergency of the Public Service necessitated his being sent back to do duty temporarily at Chingleput. No other mode of conveyance was available to him than by hired coach. No transits run on this road, and if he had marched by stages much time would have been lost, and the object of his return to Chingleput would have been so far frustrated.

3. Under these circumstances, I trust Government will be pleased to allow the amount expended by him to be passed to Mr. Busted.

MEMORANDUM.

Forwarded to Government, with the remark that, as Dr. Busted delivered over charge of the Zillah on the 2nd May last, on his services having been re-transferred to the Military Department, his taking charge of the Zillah subsequently must be looked upon as a second appointment to the Civil Department, which does not carry travelling allowance with it. The grant recommended in this letter is, therefore, inadmissible under the rules.

The Committee of Claims,

it seems a case that
should be treated specially

to proceed on duty ^{temporarily} to Liverpool.
an urgent ^{public} necessity being
the reason of his being sent.

I think this
