Read the following papers:—

No. 209. From the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 12th December 1866, No. 120.

I have the honor to state that the Accountant General has declined to admit, in the case of the Writer of the Native Jail at Ootacamund, the increase of salary recently sanctioned, on the ground that the Jail in question is not included in the list of District Jails mentioned in the Order of Government, dated 8th September 1865, No. 1279.

2. The Order in question is that in which certain Officers are nominated to succeed the Judges in charge of Jails, but as no change was made at Ootacamund, it was not necessary to specify that Jail. I, therefore, request you will be good enough to obtain sanction for the disbursement of the increase objected to, namely five Rupees per mensem.

No. 143.

No. 210. OFFICIAL MEMORANDUM.

With reference to Official Memorandum, No. 3, in the Judicial Department, dated 5th instant, the undersigned has the honor to state that the Resolution of the Governor General in Council, by which the sum of 35 Rupees per mensem was sanctioned for the Head Writer (at present there is only one) of a District Jail, was republished by this Government in the

Judicial Department, 27th August 1866, No. 1329.

Order noted in the margin.

2. The salary of the Clerk in the Native Jail at Ootacamund was 20 Rupees, but as he had not passed the prescribed examination, the Officer in charge, after the passing of the Order above specified, only drew five Rupees in addition to the former salary, as 25 Rupees is the maximum allowed to unpassed servants. This addition was objected to by the Accountant General, on the ground that Ootacamund did

not appear in the list of District Jails published in the Order appointing Medical Officers and others as Superinten-

dents, that is to say, he did not recognize it as a District Jail, because it did not appear in the Order, but the omission was necessary, as it was at that time intended to continue the Judge in charge, and this fact could not in any way change the class of the Jail.
