Proceedings of the Madras Government, Judicial Department,
21st January 1867.

No. 212. Read the following letter from the Deputy Registrar of the High Court of Judicature at Madras (Appellate Side), to the Chief Secretary to Government, Fort Saint George; dated Madras, 15th January 1867.

I am directed to forward the accompanying Statement of contingent charges incurred by the Principal Sudder Ameen of Tinnevely in the purchase of articles of country manufacture for the use of his Court in October 1866, the Accountant General having objected to pass the charges for want of special sanction, with reference to the orders of Government, dated 30th May 1866, No. 548.

2. As explained by the Principal Sudder Ameen the articles were indented for by him in August last, but the delay in forwarding it to the Superintendent of Stationery was owing to the late receipt of some of the indents from the lower Courts which retarded the preparation of the general indent in this office.

3. I am accordingly directed to recommend that special sanction be granted for the disbursement of Rupees (10-4-0) ten and Annas four, being the aggregate amount of the articles purchased.

4. The general indent was not transmitted to the Superintendent of Stationery till the 1st ultimo, and references like the present, will, therefore, be numerous unless the Government are pleased at once to give a general authority to the Accountant General to pass all such charges as have hitherto been usual, until the receipt of supplies from the Stationery Department. The order above quoted only covers purchases made previous to the 30th of September.
