*Proceedings of the Madras Government, Judicial Department,
31st July 1867.*

Read the following papers :—

No. 348. From the Commissioner of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 21st March 1867, No. 40.

I have the honor to forward a Roll of men of the Madras Police Force, recommended for Superannuation Pension under Section 18, Act XIII of 1856. All have been examined by the Surgeon, 4th District, who has certified their incapacity for further duty.

2. Nine men of good conduct, who have not served the full period requisite for pension, have been recommended for gratuity at the rate laid down in the Uncovenanted Service Rules, viz., one month's pay for every year of service up to six, and one month's pay for every two years of service beyond that period; and two men, viz., No. 44 Seel Naidoo, and 45 Rungasawmy, have been recommended for an extra month's pay, (11 months instead of 10 the exact period according to the rules,) because they have unfortunately broken down when within a few months of 16 years' service, the period which would entitle them to actual pension. They are men of good character, and I trust that under the circumstances the indulgence may be granted.

The undersigned has the honor to report that the services of the withinmentioned men, with the exception of a few who are shown to be in receipt of more than 10 Rupees a month, cannot be verified from the records of this office; and the services of those who were in receipt of more than 10 Rupees can be verified only for a few years previous to their dismissal. The Commissioner of Police, however, states in his letter of the 6th instant, No. 292, that the services of the whole are borne out by his office records. Accepting his statement as correct, the men are eligible under Section 13 of Act XIII of 1856, to the pensions shown opposite to their respective names. As regards those recommended for gratuity, the Act does not specify any limit. The Commissioner of Police, in reply to an inquiry from this office, says, (*vide* paragraph 4 of Memorandum, No. 302, of the 11th instant,) that "the gratuities are recommended under Section 17, Act XIII of 1856, at the rates "always hitherto granted." It rests with Government to comply with this recommendation or not as they deem right.

To the Officiating Chief Secretary to Government, Civil Pension Department.

From the Commissioner of Police, to the Examiner of Claims, Fort Saint George; dated Madras, 6th July 1867, No. 292.

In reply to your letter, No. 483, of yesterday's date, I have the honor to inform you that the periods of service of all the men recommended for pension and gratuity have been checked and verified by examination of the Acquittance Rolls of pay and of the Registers kept in this Office.

MEMORANDUM.

With reference to Official Memorandum, No. 509, of 9th instant, the undersigned has the honor to state—

1. No. 10 was wrongly entered as having served continuously. The period of six months suspension has now been deducted from total service. The rate of pension is not altered.
2. The period of 1 year 6 months, and 17 days is *not* included in the period of 21 years and 7 months served by No. 15. He is, therefore, entitled to a pension of Rupees 4-15-11.
3. The mistakes in amount of pensions to Nos. 6, 8, and 13 are clerical errors; altered accordingly.
4. The gratuities are recommended under Section 17, Act XIII of 1856, at the rates always hitherto granted.
5. Alterations have been initialled. It is not understood from the wording of the Memorandum whether a revised list is required or not.

6. The entries in Column 21 plainly show the reasons why these men are recommended for gratuity and pension. They are all entered as "unfit" for service from physical disability, details of which are also given. Column 21 is an extract from the Medical Officer's Certificate, and has now been verified as such at foot. The original certificate is also forwarded for full satisfaction, but it is requested that this may be returned as it also contains the names of men pronounced "fit" by the Medical Officer.

7. It is observed that this original certificate has not been called for in previous years.
