*Proceedings of the Madras Government, Judicial Department,
31st July 1867.*

No. 362. Read the following letter from the Magistrate of Malabar, to the Acting Chief Secretary to Government, Fort Saint George; dated Calicut, 23rd July 1867, No. 84.

Adverting to Government Order, dated 2nd instant, No. 1042, in the Judicial Department, I have the honor to report that a case of dacoity, attended with considerable violence, was committed on the night of the 15th April last, at the house of a Brahmin, named Shangara Narayana Annavi, at Vechoor, in the Travancore State. Property to the extent of Rupees 23,357 and odd is stated to have been lost. From inquiries instituted by the Travancore Authorities, it appeared that many of the dacoits were British subjects resident at Cochin. The Sirkar's Dewan Peishkar communicated the matter to the Sub-Magistrate of Cochin, and requested inquiry. A formal complaint was made before the Sub-Magistrate, and twenty persons (British subjects) were apprehended as dacoits. Two others, also British subjects, charged in the case, have absconded. Full inquiry was made, the prisoners themselves, and their witnesses, as well as the witnesses for the prosecution, have been regularly

examined; and there seems sufficient evidence against the ten individuals noted in the margin to warrant their delivery to the Travancore State for trial.
