*Proceedings of the Madras Government, Judicial Department,
22nd January 1867.*

No. 220. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 19th January 1867, No. 148:

In July last it was found necessary to employ one Head Warder and two Warders at the Old Jail at Chicacole, and the payment of the salaries of these men, up to the 31st July, was sanctioned by Government in the Order noted in the margin. The continual pressure at Berhampore compelled me to make a

further transfer from that place to Chicacole of 100 short-sentenced convicts in November last, which was duly reported to Government; and it has consequently been found necessary to retain the services of the three Warders above mentioned.

2. The Accountant General now informs me that, in order to avoid retrenchment, it is necessary to obtain the sanction of Government for the continued employment of these men from the 1st August up to the time when they may be discharged. I do not anticipate that I shall be called upon to make any fresh transfer to this Jail, and I have every reason to believe that it will be restored to its intended status as a Subsidiary Jail in about three months hence. I have therefore the honor to request that the continued employment of these Warders, from the 1st August last up to the 30th April next, may be sanctioned; but if their services can be dispensed with at an earlier date, it shall be done.

1 Head Warder...8 Rupees.
2 Warders.....7 Rupees each.
