*Proceedings of the Madras Government, Judicial Department,
22nd August 1867.*

Read the following papers :—

No. 288. Proceedings of Government, Military Department.

Communicating letter from the Superintendent of Marine, reporting that the Steamer *Sir Bartle Frere* has been engaged for the conveyance of certain Burmese convicts to Bombay. (Dated 1st August 1867, No. 2843.)

No. 289. From the Acting Commissioner of Police, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 12th August 1867, No. 98.

On 3rd August, 38 Burmese convicts embarked at Madras, in the Steamer *Sir Bartle Frere*, for Bombay. The Military Guard which accompanied them amounted to 21 men. The bill of the Agents of the Steamer was as follows :—

	RS.	A.	P.
38 Convicts to Bombay, at Rupees 50 each.....	1,900	0	0
21 Guards, at Rupees 45 each.....	945	0	0
	2,845	0	0

The return passage money of the Guard (Rs. 945) will thus bring the entire cost of the transport of these convicts up to Rupees 3790.

2. Had they arrived from Burmah a month later, or about the middle of September, they might have been easily forwarded by rail to Beypore, and thence by steamer to Bombay, at about the following cost :—

	RS.	A.	P.
38 Third Class Tickets to Beypore... ..at Rupees 6 5 9=	241	10	6
Guard of 4 Policemen, by train to Beypore and back to Madras.....at „	12	11	6= 50 14 0
38 Convicts from Beypore to Bombay by Steamer.....at „	15	0	0=570 0 0
Guard of 7 Policemen, from Beypore to Bombay and back... ..at „	30	0	0=210 0 0
Total...	1,072	8	6

3. If, however, it is impracticable to send convicts from Burmah save at the time (June to September inclusive) the western ports of this Presidency are closed to the coasting steamers, I would beg to point out that a considerable saving might be effected by sending a reduced Military Guard.

No. 290. ORDER THEREON, 22nd August 1867, No. 1366.

Resolved that the letter from the Acting Commissioner of Police be communicated to the Chief Commissioner of British Burmah.

FOR ORDERS.

I think that we might commu-
-nicate this to a Comd. of B. B.
-not and draw him a little
bit. There would have been
a saving by finding a conflict
among Byron. and the
grand seems to have been
somewhat strong than he
-say. The conflict was
disputed. In the end, it was

but could not have shown
this text in a country so
large than as this

Loose can be a copy of the
Dreadnought letter through Lord's office
in all he states. The sum incurred
in sending this vessel to Bombay
seems shamefully large - doubtless
when the Burmese authorities discover
how they have wasted public
money they will make different
arrangements in the next season
of forty vessels to Bombay

the embarkation of the Guard at 2 P. M. on Saturday next.
