MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Acting Commissary General..... Here enter 13th August 1867, No. 3334.
Report from the Ag. Controller of Military Accts. „ 19th „ „ C.

From the Acting Commissary General, Madras, 13th August 1867, No. 3334; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor to report that agreeably to the instructions contained in the 3rd paragraph of the Order of Government, No. 2828, dated 31st July 1867, I addressed the Officer Commanding Vellore on the expediency of maintaining a small reserve of rice at that station for the present, for issue only in case of absolute necessity.

2. He, in reply, stated that he considered it very necessary that a small reserve stock, sufficient for three days, should be kept, and annexed a memorandum, by which he computed that 5000 measures would be required.

3. As the third sort rice in general use does not keep well, and is not suited for storing, I would suggest that, if this measure is sanctioned, the second sort boiled rice should be purchased.

4. The cost of 5000 measures of this rice if sent from Madras, including all charges for bags, railway and cart-hire, would be Rupees 765-5; if purchased in the neighbourhood of Vellore, it would cost, exclusive of cart and cooly hire, Rupees 820.

5. Should therefore Government determine that this reserve is to be stored, I intend arranging for its being purchased and sent from Madras.

6. The Commanding Officer recommends that there should be no delay in forwarding the grain, and I beg to be favored with the orders of Government on the subject.

Letter No. 310, of 3rd August 1867, from the Officer Commanding Vellore, with one enclosure.

Letter No. 3300, of 12th August 1867, from the Executive Commissariat Officer, Madras, with one enclosure.

7. The correspondence as per margin is forwarded for reference, if necessary.

With report from the Acting Controller of Military Accounts, 19th August 1867, O.

ORDER, No. 3121, 21st August 1867.

On a reconsideration of the subject, and the recent emergency having passed away, the Government are not now disposed to provide the reserve of rice at Vellore, sanctioned in Proceedings of Government, No. 2828, dated 31st July 1867.
