*Proceedings of the Madras Government, Judicial Department,
3rd September 1837.*

No. 5. Read the following letter from the Inspector General of Jails, to the Acting Chief Secretary to Government, Fort Saint George; dated Ootacamund, 23rd August 1867, No. 89.

I have the honor to report that it is necessary for the Jailer at Calicut to visit the gang on the site of the new Jail two or three times a week, and the Out-jail at Poodoo Angady as often. The distance to the site is about one mile and a half, and one mile further to the quarry. The distance to the Jail at Poodoo Angady is about $4\frac{1}{2}$ miles. The Jailer could not afford to keep a horse or pony, and he has therefore hired a bullock coach on each occasion, paying $1\frac{1}{2}$ Rupee to the site, and 2 Rupees to Poodoo Angady. The Superintendent recommends that he should be granted an additional allowance of 25 Rupees per mensem to meet this expense, which he cannot well do out of his pay; but as I propose to withdraw the gang from Poodoo Angady in one or two months hence, I submit that the Jailer may be allowed to draw the actual expenditure for carriage hire, on a bill countersigned by the Superintendent, provided that it does not exceed 25 Rupees per mensem, and that the sum hitherto expended by him may be recovered upon a like bill.

No. 6. ORDER THEREON, 3rd September 1867, No. 1409.

Under the circumstances represented by the Inspector General of Jails, the Governor in Council directs that the Jailer at Calicut shall draw the actual charges which he may incur, in each month, for carriage hire, in a bill countersigned by the Superintendent, provided that the charges do not exceed 25 Rupees per mensem.

2. The charges which the Jailer has already incurred will be drawn in the same manner.
