MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following papers:—

From the Inspector General of Ordnance and Magazines, Fort Saint George, 8th June 1867, No. 47; to the Secretary to Government, Military Department.

With reference to the Proceedings of Government, No. 1909, dated 23rd May 1867, I have the honor to forward herewith a statement of unserviceable Fire and Side Arms in Store, in the several Ordnance Establishments in this Presidency.

2. There are no special reasons for retaining any portion of these arms, they are not now required to be shipped to the Home Authorities, nor should they be retained simply for the purpose of being hereafter sold to Native States, and I would therefore recommend their being broken up.

2. The unserviceable side arms may be retained for drill purposes.
