Proceedings of the Madras Government, Judicial Department,
10th September 1867.

No. 94. Read the following letter from the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Tanjore, 30th August 1867, No. 129.

I have the honor, in submitting the accompanying letter of the 22nd August, from the Registrar of Madras, to state that I see no objection to his being allowed to draw the balance of undrawn commission therein referred to, in the manner proposed.

From J. G. FERRAND, Esq., Registrar of Madras, to the Registrar General of Assurances; dated Madras, 22nd August 1867.

With reference to Article 14 of the Rules for the Registration of Assurances, fixing my salary at Rupees 500 per mensem, with a commission of 10 per cent. on all fees collected by me, provided the commission shall not exceed Rupees 100, I beg to bring to your notice that, although in most months the fees do not reach Rupees 1000, and I do not, in consequence, receive so much as Rupees 100 commission, yet, when the fees have exceeded Rupees 1000, I have derived no benefit from the excess. As, however, the work is additional in the months last referred to, I beg respectfully to request that I may, at the end of the year, be allowed to draw 10 per cent. on the fees received in any months in excess of Rupees 1000, subject, of course, to the condition that my commission for the whole year shall not be more than Rupees 100 a month. This will not,

in Madras Government's Judicial Proceedings, 19th January 1865, Order No. 117.

I think, be opposed to the orders of the Government of India,* which sanction "a salary of Rupees 500, plus 10 per cent. on fees, for the District Registrar for the Town of Madras, on the understanding that the emoluments of this Officer shall not exceed Rupees six hundred monthly, all commission on fees in excess of that limit being surrendered"; for all that I here ask is that my emoluments may be made up to Rupees 600 monthly as far as they can be from the authorized percentage on the fees received in some months in excess of Rupees 1000.

2. I have every reason to hope that Government will accord a liberal consideration to my request, especially if it is remembered that, when the appointment was conferred upon me, no limit whatever was placed† on the amount of the 10 per cent. commission.

No. 95. ORDER THEREON, 10th September 1867, No. 1454.

With the letter above recorded, the Registrar General of Assurances submits a letter from the Registrar of Madras, bringing to notice that, although the Government of India sanctioned for his appointment a salary of Rupees 500 plus 10 per cent. on fees (on the understanding that the emoluments of the Registrar shall not exceed Rupees six hundred monthly), he is unable to draw, as was anticipated, a commission of Rupees 100 per mensem, in addition to his salary of 500 Rupees per mensem, as it happens in some months that the fees do not reach Rupees 1000, while in others they exceed that amount. The Registrar requests the permission of Government to draw 10 per cent. on the fees received in the months when these

fees exceed Rupees 1000, subject to the condition that the total amount of fees for the whole year shall not be more than 1200 Rupees per annum, or 100 Rupees per mensem.

2. Under the circumstances stated, the Governor in Council is pleased to sanction the arrangement proposed by the Registrar of Madras, which is recommended by the Registrar General, on the understanding that the total amount of percentage on fees drawn by the Registrar shall not exceed 1200 Rupees per annum.
