Proceedings of the Madras Government, Judicial Department,
11th September 1867.

No. 118. Read the following letter from the Session Judge of Tinnevely, to the Acting Chief Secretary to Government, Fort Saint George; dated Tinnevely, 30th August 1867, No. 432.

I have the honor to forward, for the orders of the Governor in Council, as provided in Section 394 of the Criminal Procedure Code, a copy of Calendar No. 101 of 1867.

Regina, *versus* Shodaly Audum Perumal Pillay, charged with an attempt at murder, with minor count, and in which the prisoner has been acquitted on the ground of insanity.

2. The evidence shows the act to have been unprovoked without object of any kind, and also that the prisoner had but lately been brought home, in consequence of his conduct being that of one not in his right senses. As stated in the Calendar, the Zillah Surgeon was unable to say anything regarding the conduct of the prisoner in Jail, in consequence of his notice not having in any way been drawn to the prisoner. The prisoner was quiet and fairly intelligent during the trial, but the evidence satisfied the Assessors and myself that, at the time of the attack, the prisoner was insane, as he evidently had been for some weeks previously.
