*Proceedings of the Madras Government, Judicial Department,
11th September 1867.*

No. 129. Read the following letter from the Inspector General of Police, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 3rd September 1867, No. 1551.

Accountant Department.

With reference to the accompanying letter from the Superintendent of Police, South Malabar, I beg to recommend that seven Rupees per mensem may be allowed to the Apothecary attached to the Sapper Camp at Vytri, for attendance on the Police of South Wynad.

From the Superintendent of Police, South Malabar, to the Inspector General of Police, through the Deputy Inspector General of Police; dated Calicut, 27th August 1867, No. 336.

I have the honor to inform you that the Police of Vytri Division,* Wynad, suffer as usual

greatly from fever; three Constables of that Division have died this year. There is no authorized Medical attendance on the spot, and, therefore, sick men have to be sent into Calicut for

treatment, to the great inconvenience of the public service, as the men must be absent for some length of time, and are usually not sent down till they are seriously ill.

2. There has been a detachment of Sappers under Medical charge of an Apothecary permanently stationed at Vytri this monsoon, and as he is likely to remain there, I beg that you will be good enough to obtain the sanction of Government to an allowance of Rupees 10 per mensem being granted to him, to afford Medical aid to the Police until a Civil Dispensary (sanctioned but not yet commenced) is established.

3. The Officer Commanding the Sapper Detachment has kindly informed me that he will allow the Police to be treated in the Sapper Hospital whenever there is room. I believe medicines are also available.

I would recommend an allowance being made if possible, but Rupees 10 per mensem appears a high rate of Head money for attendance on 29 men.
