Proceedings of the Madras Government, Judicial Department,
14th September 1867.

No. 171. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th September 1867, No. 1601.

Account Department.

I find that the Budget of the Magistrates for Madras is prepared in the Commissioner's Office.

2. This is a charge under Law and Justice, and not a Police charge. On inquiry I find that the practice dates back to Mr. Elliot's time, when the Commissioner was also Chief Magistrate. This is no longer the case.

3. I beg to recommend that the Commissioner be relieved of this duty, as these matters cannot be passed into my Budget. The duty might be delegated to one of the Magistrates of the Town.

No. 172. ORDER THEREON, 14th September 1867, No. 1496.

The Governor in Council directs that Mr. T. G. Clarke be entrusted with the preparation of the Budget Estimate for the Magistrates of the Town of Madras.

2. Mr. Clarke will obtain from the other Magistrates the requisite information for the Budget, and he will submit the Budget with any explanation which he or the other Magistrates may desire to offer in respect to any of the entries.

3. The Accountant General will be requested to furnish Mr. Clarke with a form of the Budget, as well as with any instructions which he may deem necessary, to enable Mr. Clarke to prepare the Budget correctly.
