*Proceedings of the Madras Government, Judicial Department,  
18th September 1867.*

Read the following papers :—

No. 198. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 13th July 1867, No. 278.

With reference to my letter, No. 263, of the 6th instant, I have the honor to inform you that the Assistant Surgeon Murray, who arrived by the last Steamer from England, proves not to be the Medical Officer of that name belonging to the Indian Army, but a Staff Assistant Surgeon of the British Service.

2. I regret, therefore, that with the present paucity of Medical Officers the only person available for Cuddapah is 2nd Apothecary J. E. Ross, who has just been relieved from Chittoor. I beg to know whether Mr. Ross shall be ordered to proceed, or whether, under the circumstances, the services of the Native Surgeon now at Cuddapah will be equally acceptable.

No. 198A. From the Magistrate of Cuddapah, to the Acting Chief Secretary to Government, Fort Saint George; dated Cuddapah, 3rd September 1867, No. 29.

Vide my letter as per margin, and your reply thereto, in which you stated, through the Head of the Medical Department, that Dr. Duckworth should be sent immediately to take charge of the Jail.

21st June 1867, No. 25, and Government Order thereon,  
dated 10th July 1867, No. 1104.

I have now the honor to inform you he has not as yet joined; neither have I any Assistant, except my Acting Head Assistant Mr. Hardinge, which paralyses my movements in the District altogether; for when Mr. Hardinge is out, which he ought to be, to learn his work and become acquainted with the people, I must remain here, and then my multifarious duties are Collector, District Magistrate, Justice of the Peace, President of the Municipal Commission, Jailer, and, finally, Hangman; the last office being one, I maintain, no Collector ought to be obliged to perform. I, therefore, have now the honor to request that either Iyasawmy Pillay, Native Surgeon, have charge of the Jail, or else a Civil Surgeon be immediately sent, as also an experienced Assistant. I ought to have gone round the Western Taluqs by this time, but I can't move.

No. 199.

ORDER THEREON, 18th September 1867, No. 1509.

To be recorded.
