*Proceedings of the Madras Government, Judicial Department,
18th September 1867.*

Read the following papers :—

No. 207. From the Acting Collector of Trichinopoly, to the Acting Chief Secretary to Government, Fort Saint George; dated Pitchandur Covil, 29th August 1867, No. 48.

The Garrison Surgeon in charge of the Lunatic Asylum represents that it is necessary to obtain the services of a recognised paid Purveyor for the institution. He states that he has had much difficulty at times in getting the diets and other contingent necessities, and that, now, the person who has hitherto acted as Purveyor declines to continue to supply the Asylum without some specific remuneration for the duties.

2. In the 3rd paragraph of their Order, dated 23rd September 1863, No. 1539, Judicial Department, Government sanctioned the following establishment :—

	RS.
1 Male Warder...	10
1 Cook...	5
2 Male Peons, each...	5
1 Toty...	4
1 Female Warder...	7
1 Do. Cooly...	5

3. The 4th paragraph of their Order is as follows :—

“ The Principal Inspector General will issue the requisite instructions to the Deputy Inspector General of Hospitals, Southern Division, in regard to the diet, clothing, medicines, &c., for the use of the patients who may be admitted into the Asylum, to the effect recommended by him in paragraph 3 of his letter* of the 28th October 1862, No. 200.”

* Recorded in Proceedings of the 10th November 1862, No. 1839.

4. What these instructions regarding diet were I cannot ascertain, as the Deputy Inspector General, to whom I have applied, is unable to furnish me with the Proceedings of Government in question. I am, therefore, debarred from offering any suggestion, and, having brought the subject before them, must leave it to be disposed of by the Government.

Referred to the Inspector General, Medical Department, for his opinion as to the necessity of having a paid Purveyor for the Lunatic Asylum at Trichinopoly.

FORT SAINT GEORGE,
6th September 1867.

(Signed) R. S. ELLIS,
Acting Chief Secretary.

No. 208. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 10th September 1867, No. 357.

With reference to the letter noted in the margin, referred to me under your docket of the 6th instant, I have the honor to state that I see no necessity for the engagement of a paid Purveyor for the Lunatic Asylum at Trichinopoly.

From Acting Collector of Trichinopoly, No. 48, of 29th August 1867.

*Proceedings of the Madras Government, Judicial Department,
18th September 1867.*

2. The requirements of that Institution, in the way of diet, clothing, &c., can, I presume, be provided for, as those of the Asylum at Madras, and of Civil Hospitals all over the country, are, by employing the services of a contractor.

No. 209. ORDER THEREON, 18th September 1867, No. 1513.

The foregoing letter from the Inspector General, Medical Department, will be communicated to the Acting Collector of Trichinopoly.

2. The Governor in Council concurs in the opinion of the Inspector General, Medical Department.
