Proceedings of the Madras Government, Judicial Department,

21st September 1867.

Read the following :—

No. 228. Proceedings of the Government of India, Financial Department, dated Simla, 23rd August 1867, No. 2128.

Read an Endorsement from the Home Department, No. 2039, dated 6th July 1867, forwarding, for consideration and orders, with remarks, a letter, with enclosures, from the Government of Madras, proposing that Police Officers moving by Rail from one District to another should be allowed to draw their *bona fide* travelling expenses, and that Police Officers travelling by Rail within their Districts should be permitted to draw travelling allowance at four Annas a mile, because the travelling allowance of three Annas a mile, which is at present given on both occasions, is quite inadequate to defray the expense of moving with horses, tents, and personal luggage.

RESOLUTION.—The Governor General in Council is pleased to decide that, in the first case, which is understood to be that of transfer from one appointment to another, no alteration of the existing rule is called for, the Officer transferred not being required to take tents or horses with him by Rail.

2. In the second case also, an augmentation of travelling allowance is unnecessary, because, under orders of this Department, of the 8th August 1866 and 27th March 1867, a Deputy Inspector General, Superintendent, or Assistant Superintendent of Police in Madras, as well as elsewhere, when obliged to travel with horses and camp equipage by Rail, is allowed the fare for them, in addition to his travelling allowance at the regulated rates.

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to the Home Department, with the original papers enclosed in the Endorsement of that Department mentioned above, and that a transcript of the Resolution be communicated to the Accountant General, Madras.

When a Deputy Inspector General of Police, whose travelling allowance is less than ten Rupees a day, proceeds on duty by rail, and is obliged to take his horses and camp equipage with him, without having been able to send them on beforehand by the ordinary marches, he will be allowed to charge for the transit of his horses and camp equipage by rail, to the extent to which a like indulgence was authorized for District Superintendents of Police, in Financial Resolution No. 1823, dated 8th August 1866.

RESOLUTION.—Read Office Memorandum from the Home Department, No. 3083 of the 25th ultimo, forwarding a letter, with an enclosure, from the Government of Bengal, and suggesting that the following extract from a Resolution, No. 704, passed in this Department on the 22nd February last, regarding the allowances of Officers of the Survey Department, be declared applicable (*mutatis mutandis*) to Superintendents and Assistant Superintendents of Police :—

"Officers travelling on duty by Rail, when
"obliged to carry their tents with them, are per-

"intended to charge the actual cost of carriage (by goods train) in a *bond fide* contingent bill supported by a voucher of the necessity to send the tents by Rail, and by a declaration that the amount of camp equipage and baggage of all descriptions for which carriage is charged does not exceed 35 maunds for an officer in charge of a Survey Party, 25 maunds for a Military or Civil Assistant, and 15 maunds for a Sub-Assistant. The countersignature of the Superintendent of the branch of the Survey to which the Surveyor belongs will be requisite for these bills. As an exceptional arrangement, officers when travelling on duty and taking their horses with them, the necessity for so doing being fully explained and admitted on each occasion, may recover the actual Railway charge incurred on this account, in a *bond fide* contingent bill countersigned as in the preceding rule. In no case will more than two horses be allowed to be thus carried at the public expense for an officer in charge of a Survey Party, nor more than one horse for an Assistant, whether Military, Civil, or Sub-Assistant. Under ordinary circumstances, all horses should be sent to their destination by ordinary roads."

The Governor General in Council is pleased to extend the indulgence proposed to Superintendents and Assistant Superintendents of Police,

on the understanding that it will be limited to the occasions on which it is not practicable to send on the tent and horses beforehand by road. The bills for the *bond fide* expenses should be countersigned by the Inspector General of Police.

Ordered, that a copy of the foregoing Resolution be forwarded to the Home Department, with the original papers enclosed in the Office Memorandum from that Department mentioned above, and to the Accountant General, Bengal.

Ordered, also, that the foregoing Resolution be published in the *Gazette of India*, and communicated to—
